with Extra CASH!

Dear Member:

Everyone here at First Missouri Credit Union is excited about the new year and all the possibilities it will bring. We want you to be excited as well, which is why the credit union is giving you the option to skip your **January** loan payment(s)!

For a small fee, you can put off any or all of your eligible First Missouri Credit Union January 2021 loan payments through our Skip-A-Payment program.² Keep the money you would have spent on your payment(s) and give yourself extra cash in 2021! Just think of all the things you could plan; the possibilities are endless!

Calculating your Skip-A-Payment fee is easy! Simply pay 10% of your normal monthly payment. Use this formula to determine the amount due:

$$\text{January monthly payment} \times .10 = \text{your fee}$$

For example, if your normal payment is \$289, multiply 289 by .10 to equal \$28.90.
Minimum Skip-A-Payment (SAP) fee is \$10. Maximum SAP fee is \$50.

To register for the Skip-A-Payment program, please complete and return a Skip-A-Payment coupon noting your preferred payment method, and include a check or transfer fee(s) authorization **ON OR BEFORE** your **January loan payment due date**. You may do this by:

- Submitting the coupon online at www.1stmocu.org by clicking on the Skip-A-Payment link in the News section **for a chance to win \$100**, or
- Completing and returning the attached coupon and fee, if applicable.

*NO PURCHASE NECESSARY TO ENTER OR WIN. Odds of winning depend on the number of entries received. Members must complete their skip-a-payment coupon online on or before their January loan payment due date and no later than 1/31/21 to be eligible. One entry per member number. FMCU will contact the winner no later than 2/10/21. Contact FMCU for complete details on all offers.
